IN THE MATTER OF THE
LICENSE OF

Administrative Action

USTACIA JONES, L.P.N.
LICENSE #NP 06937100

ORDER OF
REINSTATEMENT OF LICENSE

TO PRACTICE AS A
LICENSED PRACTICAL NURSE
IN THE STATE OF NEW JERSEY

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of respondent's petition for reinstatement of her nursing license. Respondent's license had been suspended by means of a February 11, 2015 Final Order of Discipline based upon her failure to respond to a Board inquiry concerning an arrest on April 29, 2014. A \$500 civil penalty was also imposed by the order.

Ms. Jones has advised the Board that she failed to respond to the Board inquiry because she had left her residence after a domestic dispute and for a period of time did not have a fixed residence. Respondent provided documentation that the charges against her of robbery and aggravated assault, brought by the former boyfriend who had caused her to leave her residence, had been dismissed. Respondent has paid the \$500 civil penalty imposed by the 2015 Final Order of Discipline.

Respondent having provided all the information originally requested by the Board, and the Board finding that reinstatement of respondent's license to practice nursing is appropriate at this time, and for other good cause shown;

IT IS, ON THIS 1st DAY OF July, 2015

HEREBY ORDERED AND AGREED THAT:

1. Respondent's petition for reinstatement of her license to practice nursing in the State of New Jersey is granted upon review and approval of any requisite fees, information, and required continuing education, and the Criminal History Background Check, if applicable.
